

COMTO Central Florida Golf Tournament 2022

The Conference of Minority Transportation Officials (COMTO) invites you to be a part of making a difference in the lives of our local youth.

The inaugural Golf Tournament will help fund the Central Florida Chapter Scholarships. Our scholarship program is committed to providing financial support for minority, veteran, and disabled students to help them maximize their educational potential. This is an important resource for **investing in the students of the Central Florida region who are interested in transportation, planning, STEM, and more**. As a partner in understanding the importance of creating the next generation of bright minds to improve our communities, COMTO Central Florida would greatly appreciate your support.

With your sponsorship, we welcome the opportunity to highlight your organization at the inaugural Golf Tournament. If you would like to participate in this year's event, please return the enclosed form.

See you on the green,

Carla M. Williams
